4.	Tastaturen, Tastenknöpfe - Keyboards, keytops
	Claviers, boutons des touches - Teclados, botones de teclas

4.0 Bestellhinweise

Bestellhinweise für einzelne Tastenknöpfe aus dem Schreibtastenfeld

Den Tastenknöpfen (1...48) aus dem Schreibtastenfeld sind in Abhängigkeit von der Knopfform und der Farbe Grundnummern zugeordnet.

Grundnummer für "electronic compact": 37.810-1264.1/00 (Knopfform 21)

Für die Bestellung eines bedruckten Tastenknopfes muß hinter dieser Grundnummer als Zusatzmerkmal die Tastenknopf-Nr. aus der Tastaturvorlage aufgeführt werden.
Fehlt diese Zusatzangabe, so wird der Tastenknopf 'blank' geliefert.

Beispiel: Benötigt wird der Tastenknopf 'A' aus der Tastatur Deutsch, Tastaturvorlage-Nr. 766 in der Farbe für "electronic compact" schwarz (F111). Die Knopf-Nr. in der Tastaturvorlage ist 7523.

Die vollständige Besteilnummer lautet: **37.800-1264.1/00 7523**

4.0 Ordering procedure

Information in connection with the ordering of individual keytops

The keytops (1...48) are allocated basic numbers depending on their design and the color.

Basis number for "electronic compact" : 37.800-1264.1/00 (design of knob 21)

When ordering imprinted keytops, the keytop number from the keyboard sheet need to be added.
Should the detail not be quoted, only blank keytops will be supplied.

Example: It is desired to order the keytop "A" for the German keyboard. Keyboard sheet number 766 in the color for the "electronic compact" black (F111). The keytop number in the keyboard sheet is 7523.

The complete number is as follows: **37.800-1264.1/00 7523**

4.0 Instructions concernant les commandes

Instructions de commande concernant ies différents boutons des touches du panneau des touches alpha-numériques

En fonction de la forme des boutons des numéros de base ont été affectés aux boutons de touche (0...48) à partir du panneau des touches alpha-numériques ainsi que la couleur.

Numéro de base pour "electronic compact": 37.800-1264.1/00 (forme bouton 21)

Lorsqu'il s'agit de commander un bouton imprimé de touche il importe de faire suivre à ce numéro de base, et sous la rubrique 'observation', le no. du bouton de touche de la présentation du clavier.
Si jamais ce indication ne seront pas données, le bouton de touche sera fourni 'sans impression'.

Exemple: En cas de besoin du bouton de touche 'A' du clavier allemand présentation de clavier no. 766 dans la couleur pour "electronic compact" noir (F111). Le no. dans la présentation de clavier est 7523.

Par conséquent, le numéro complet de commande sera:

37.800-1264.1/00 7523

4.0 Instrucciones de pedido

Pedido de botones de teclas alfanuméricas

Los botones de las teclas alfanuméricas (teclas 1...48) tienen un número de referencia común que depende de la forma de la tecla así como el color de la tecla.

El número de referencia para teclas del modelo "electronic compact" es:

37.800-1264.1/00 (Forma de teclas: 21)

Para pedir un botón de tecla que lleva impreso una letra o un signo, se debe indicar detrás del número general, en la casilla para observaciones, el número de la tecla deseada tal y como aparece en la hoja del teclado.
Si falta el segundo número, suministraremos un botón de tecla en blanco.

Ejemplo: Se necesita el botón de la tecla "A" del teclado German. El número de la hoja del teclado es 766. El código de color para el modelo "electronic compact" es F111 para negro. El número de la tecla "A" en la hoja del teclado es 7523.

El número de pedido completo para el botón de tecla "A" es:

37.800-1264.1/00 7523
